The Camp will feature 80 of the top 16-year-old hockey players in Ontario, identified from regional camps conducted throughout the province.

The goal of the provincial camp is to provide players with an intensive, high-calibre training opportunity as well as a positive learning experience, both on and off the ice. It also serves to facilitate the process of identifying players who will ultimately be selected to represent Team Ontario at the World Under 17 Hockey Challenge, being held in Winnipeg, MB, December 28th to January 4th, 2011.

The Ontario Under 17 Program is an integral component of Hockey Canada's Program of Excellence and is coordinated through the Hockey Development Centre for Ontario Under 17 Policy Committee on behalf of its member organizations. The Under 17 Program continues to provide high performance competition and development opportunities for players, coaches and trainers as well as identifying the elite athletes for future national programs.
